Editors' Corner

Did you notice the change to our Manana Times Masthead? As I previously stated we are trying to spruce up the MT, I am hoping to get others interested so that each issue will have a different design.

Please put on your designing caps and send to me before April 10th.

Jim Kenney did the original design and it has served us well...Thank You, Jim!

Please submit any suggestions that you may want to see added or subtracted from the MT as I've said before this is your newsletter not mine.

Always remember that Finz-R-Flat and That's A Fact!
