

!! Congratulations !!
Hall Of Phame Inductees #4 and #5
Michael and Mark Donnelly

If you look at our web site (www.phcoem.com), you'll see the definition of what our club Hall Of Phame is. The following criteria applies to nominees:

- **Must be member in good standing of PHCOEM for a minimum of 2 consecutive years.**
- **Criteria - Admitted "In recognition of your extraordinary commitment to the mission statement of the Parrot Head Club of Eastern Massachusetts you are hereby inducted into the PHCOEM Hall of Phame."**
- **Nomination forms must be postmarked on or before December 1st prior to the Holiday Party.**
- **Any member of PHCOEM in good standing may nominate eligible nominees.**

Current members are Bill Guerrette, Al Mosier, and Keith Kitchen.

Here's the nomination we received for Mike and Mark.

Mark and Michael Donnelly have time and again demonstrated their extraordinary commitment to the mission statement of the Parrot Head Club. Not only are both always up for any social event, they are typically the first on the scene at Special Olympics charitable events. As most of the members know, Mark and Michael are willing to "take charge" of the preparation of any barbecue site and ensure that it is properly established (even if some of the tasks involve bodily harm). Both have worked tirelessly on behalf of Special Olympics raising money and organizing events.

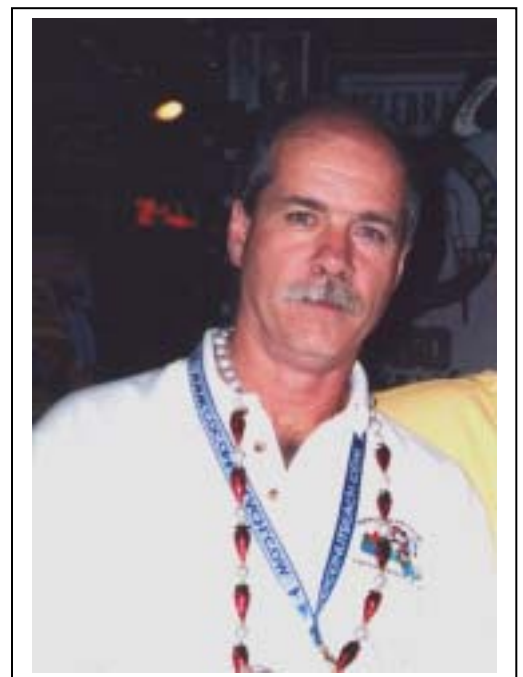

Additionally, in the spirit of true parrotheadism there is not a party or social event they are not willing to participate in (having an invitation is not a prerequisite). Who else could have so wonderfully executed the set-up of the Baha Brothers in the parking lot at Great Woods!!

For these reasons and because if you polled the active membership there would be unanimous positive response for these two great guys, they should be inducted into the PHCOEM Hall of Phame.

Well said, we couldn't agree more!!

Our Hall Of Phame members receive a plaque from the club.
