## From the Office of the Prez

It was a great first quarter of the year. There was fun had while tubing at Nashoba Valley with the Jamaica Me Crazy tubing team. The 2019 NEPHC Convention held in Danvers and hosted by the NPHPC was a really PHUN time. Our own Julie Vallieres won the Golden Parrot again for the club, the REVEAL for the 25<sup>th</sup> NEPHC Convention that will be hosted by us was amazing and I'm so proud of all that participates. Thank you for all that helped with the registration on Sunday morning. I'm glad to announce that on that Sunday we signed up 1/3 of what we would like to have – so that is great and gives us money to move forward with more planning. If you haven't signed up yet, you might want to think about doing so soon we are limiting the number of people.

We are celebrating 25 years as a Parrot Head Club on April 8, 2019. It's amazing how much this club has accomplished in that time. I've only been a member since 2010 and I have to say that the past 9 years have been an amazing journey for me. I've met a lot of wonderful people, been exposed to many more charities and have made memories while Partying With a Purpose. I thank the founding fathers who I got to know a couple years ago when I had to do the BIO on the club. I appreciate all of you for all that you have done over the past 25 years and look forward to many more years of PHUN and memories with all the Phriends I have been lucky enough to have made.

Along with celebrating 25 years as a club, we are as a club hosting the 25<sup>th</sup> New England Parrot Head Convention in March 2020. We were one of the clubs to have started this journey of conventions and we are the last club to be hosting the convention as we know it. We are trying to make this convention one to remember. We are trying to make sure not only to raise money for our charities but to thank all the folks who have helped over the years to make it so successful by keeping the overall cost down and for planning a great music line-up and a lot of PHUN activities to keep you entertained over the weekend while you visit with old phriends and make new phriends.

We are looking for all kinds of donations for our registration bags so if you have anything that you can get for the bags we are looking for around 350 items. There are loads of things to help out with too, so don't be shy, get in touch with me and I'll hook you up with the area that you would like to work in. The more hands that help, the easier it will be on everyone.

Visit [www.phcoem.com/2020nephc](http://www.phcoem.com/2020nephc) for more information and to keep up with what's happening. There is the PHIN City News – which will have updated information and announcements. So look around and visit often as the pages will be updating as more information comes in. Spread the word to your friends and family, you don't have to be a Parrot Head to attend the convention, so we would like to encourage you to help spread the word. We have postcards that can be passed out to everyone, so if you would like some, please see me and I will get them to you.

If you ever wondered what your volunteerism does, well just look at this letter from the Springfield Boys and Girls Club Festival of Trees. We will be celebrating 10 years this year. This Year's theme is PHLASHY PHLAMINGOS, so anything you can donate that has flamingos or anything else that you would like to donate, we'll happily take it off your hands to help with this fundraiser. Tree decorating will be at our home again in November.

Northbridge, MA

Dear Karen "Sunshine" Feldeisen,

On behalf of the Springfield Boys & Girls Club, I would like to extend my deepest appreciation for your donation of a tree for the 18<sup>th</sup> Annual Festival of Trees.

The wonderfully creative, beautiful and valuable trees donated by local businesses, organizations, families and individuals are the driving force behind the event's continued success. Thanks to your support, the 18<sup>th</sup> Annual Festival of Trees was another huge success for tree sponsorships, attendance, and revenue! With close to 20,000 visitors and 132 trees, our gross income reached \$231,000!

The Springfield Boys & Girls Club is proud to serve over 2,294 inner city youth each year. The funds raised through Festival of Trees help us provide memberships, after school and summer programs, enrichment activities, field trips, and every other aspect of the Springfield Boys & Girls Club experience. Your efforts and participation in the Festival truly make an impact in the lives of these children. We sincerely appreciate your support of the Festival of Trees and look forward to working with you in 2019.

From all of us here at the Springfield Boys & Girls Club, we wish you a Happy New Year!

**From the Office of the Vice-Prez**

Good day Phellow phlockers,

Well we have almost arrived, spring is just round the bend, the birds are up chirping and the first quarter of 2019 is just about done. We have had quite a productive first few months. The planning for many great happenings this year has been in the works for weeks now and we hope you will all come out to play with the membership.

Wow can you believe we are celebrating PHCoEM's 25th birthday this year? That's right we have been a sanctioned Parrothead in Paradise Inc. club for 25 years. That's incredible! Quite a feat! Math does suck but let's see how I do.

So that's 25 years of an average of feeding approximately 1,600 plus Special Olympic athletes, coaches, volunteers and families per year . That is quite a few burgers and dogs we have flipped not to mention served and condimented.

That's 25 years of volunteering at Autism walks, Alzheimer's walks, Diabetes walks, Cancer walks and several other walks along the way (MS, HMEA, LETR, etc.). We have cleaned beaches all up and down the Eastern Mass coastline from the north shore to Plymouth beach and down to Cape Cod.

We have wrapped presents for Operation Troop Support and helped load their trucks. We have been involved in laying thousands of wreaths on veterans' graves in the Wreaths Across America down at the Bourne National Veteran's Cemetery. This has always been such a great and moving experience for all our club members that volunteer.

We have donated food, blankets and towels to pet shelters. I could go on and on.

How about all the money we have raised for charities through conventions and other fundraisers, thousands over the last 25 years.

We have done quite a bit to make this world a better place for us all to live in. I know in thinking about this for just a short time how much we have all accomplished over the years.

You should all be extremely proud of what this club stands for, all you have done and all it has done to help make our communities and our neighborhoods a better place to live.

So thank you all for all the years of service and volunteerism and hard work in making this club one of the best around! We have always had fun no matter what we do and Partying With a Purpose has never been more true.

I can't thank you enough!

### **THE QUARTER IN REVIEW**

Wow, what a convention! For those who weren't there the NH club put on a fabulous convention "Somethin' 'Bout a Boat!" Games were fun, boat races were exciting and the entertainment was phenomenal!

On Saturday night we had our big reveal for the 2020 convention "Welcome to PHin City". Elvis and the showgirls, emcee Mike and all of our dealers got everyone excited for next year! Planning is well underway and there are plenty of committees to volunteer in if you're interested! We've got lots of social events/fundraisers coming up. We sure hope we can count on your support at these events.

PHCOEM turns 25 this year! We are celebrating with a scavenger hunt on 4/6. Visit [phcoem.com](http://phcoem.com) for more details and to register!

Following Submitted by Kitty Jones:

Once in a Lifetime with Willie and Friend  
Kitty St. John

There are some things you only get to do once. My recent adventure with Willie Nelson started and ended with the same song. It was a tip from @JD Spradlin, though, that set things in motion: a tribute to Willie Nelson, "Willie: Life & Songs of an American Outlaw" would be in about a week (January 12, 2019). By Tuesday, with a little help from a friend, I had all my ducks in a row.

The magic began as I walked through the airport in Nashville. With live music echoing through the airport from one of the restaurants, I knew I had landed in the right place. There were so many attractions in Music City that I already knew I would have to come back to see more.

The Bridgestone Arena, where the tribute to Willie took place, is massive and you could feel the excitement even as you approached the door. No one cared that it was raining and cold. We were ready for Willie to warm our hearts and maybe a little Sailor Jerry rum to warm the rest.

From chatting folks up while waiting for the show to begin - especially talking to the young woman who wanted Jimmy Buffett's autograph (yes, he was among the star-studded performers) on her arm so she could get it tattooed - I could tell many of us had butterflies in our stomachs as we waited. Others had just enough alcohol to get them through the first set.

Two hosts brought local color and a more formal tone to the production, which was filmed for an A&E release later. Over two dozen performers including: Jimmy Buffett (he dressed up and even wore shoes), Lyle Lovett, George Strait, Sheryl Crow, Jack Johnson, Jamey Johnson, Tedeschi and Trucks, Dave Matthews, Kris Kristofferson, the Avett Brothers, Emmy Lou Harris, Alison Kraus, and more including Willie himself, of course, were there to serenade us. Two of Willie's sons, [Micah and Lukas](#) (stars in their own right), brought hauntingly wonderful performances with their art and their voices, which are so like Willie's that I get chills just remembering it. Jamey Johnson's cover of "Georgia on My Mind" was exceptional.

Videos and still images of Willie's life gave background for anyone who has not followed his career - including the early influencers of his music and the days in Nashville before becoming the Outlaw. The hosts added to this with stories, connecting the performers to Willie and the songs to the catalog. Where there were no songs to connect, new ones were written for the tribute. For example, George Strait apparently had never done a song on stage with Willie, so now we have "Sing One with Willie" to cover that gap. The Avett Brothers did a nice mix of weaving titles into a song. Willie and Dave Matthews performed "Crazy". In all these years, I didn't know that Willie wrote that song.

The finale was grand indeed, all of the cast joined on stage for the final numbers: "Will the Circle Be Unbroken/I'll Fly Away/Roll Me Up and Smoke Me When I Die." It was enough to make me shed tears of joy. How often can you see stars like this together, some we may not see much longer. I would not have missed this. The song that started it and completed the circle was "Roll Me Up and Smoke Me When I Die," in case you were wondering.

# The Adventures of Finzer, Flyer, Timon and Phriends

By Mac

What a start to our 25th year celebrating as a sanctioned PHIP club. The boys have managed to dig themselves out of some deep snow up north and enjoy some tubing time with the Jamaica me crazy tubing team. The group had a blast this year the snow was perfect, conditions great, superfast and lots of laughs all round had by all! The team is looking for a few good sliders for next year as we had a great turnout this year and would like to continue to grow the Jamaica me crazy tubing team, just in case we need to fill in for the Olympic Squad.

The boys' next big adventure was at the convention. Something 'Bout a Boat certainly lived up to its name. The NH Parrot Head Club put together a wonderful time and the boys helped out winning the golden parrot back by commandeering the black parrot!

The pirate ship that was auctioned off that our club bid and won. The ship needed a captain and crew and some decorating and the boys were up for the task! Finzer as the captain and Flyer in the sails and we had Larry the lookout up in the crow's nest. The ship sailed into third place in the second heat to gain the last spot in the finals. With some help from an owl in the final race it sailed into first winning and bringing the golden parrot trophy back home.

The parrot will be making its rounds between club members this year so be sure to see it ,take pictures and selfies with it, kiss it, drink with it at Shawn’s sandbar, and enjoy it before it gets put back on the block at next year’s convention, which we are hosting by the way. We have been conjuring up some great events and have some awesome things planned.

The boys have had a busy winter at phabulous phlash phlockings at breweries and luaus in different small microbrew places.

Please check out the PHCoEM website and/or the Facebook page for more information. We hope you try to come out and enjoy some really phun activities with some really great people who truly know how to Party With a Purpose! It is our 25th year as a sanctioned Parrothead club that is truly something to celebrate so come out and have some phun with the boys.
