Well as you can imagine we are almost half way to the 2020 Convention and we are half way to folks that we have room for at the hotel. So I'm hoping that everyone who is interested in going are signing up and paying the registration fee. This money is what we use to get a lot of the convention planning done and to make deposits on bands and other items that we need to get to make this a successful convention. Since this will be the last convention as we have known it for 25 years, I'm hoping that all of you will help make it one for the ages and memories to last a lifetime. Look for the next couple months of incentives for signing up. We have a portable bar that will be used as a door raffle for the raffle room if you purchase raffle tickets. But as an added incentive if you register for the convention in July you will earn 3 tickets, August you will earn 2 tickets and September you will earn 1 ticket per registrant. So don't miss out on this awesome opportunity.

We have a lot of great events planned for everyone, both social and charitable. I hope that you will find one that fits within your schedule and/or interest and join us. We have a lot of members and well, we don't seem to get a lot of participation. It always seems like the same group of people, it would be nice to see more of our members join in the PHUN.

One in particular that would be nice to see pholks at is the Annual Membership Meeting and Pool Party. The meeting is a requirement by PHIP and the Pool Party is just something to show our appreciation to our membership and a chance for everyone to get together and socialize. It will be held at my home on August 17th, meeting starting at 11am and then into the pool party. It will be held rain or shine.

In your travels this summer, if you see anything Flamingos, remember our Boys and Girls Club Xmas tree theme this year is Phlashy Phlamigos, so would appreciate any donations.

Don't forget to buy those Big Summah Raffle Tickets, you could become a big winner. We are also looking for any donations of gift cards of \$25 or more to help with our calendar raffle to make the money for our 2020NEPHC Convention Club basket, we will be doing a check for the winner. A lot going on I know, but you can pick and choose which one you want to participate in or participate in them all, it's all up to you.

Until we meet again along this adventurous highway, *May Your Phins Always Take You Safely Home.*

Good day phlockers

Wow what a busy wet spring! We lucked out that all our spring Special Olympics events went off without a hitch! The first day was a bit wet early for Brockton but then a sunny warm midday broke out. We went to a new restaurant after and made lots of new friends.

We had a few other Special Olympic events since and all of them were well attended and the families and the athletes really do appreciate all our time and efforts we volunteer to their cause. We have one group that makes us thank you cards every year at the cape games they actually come and cheer for us as we make them lunch and we take a break to accept their thank yous! It is a very heartwarming moment when they come over and really shows that yes what we do matters. We are making a difference!

What you all do volunteering at events and helping at walks or picking up beaches makes a difference in our communities even as small you may think, every little bit helps. The Bog Iron 0.0k race is another volunteer event that helps a great cause, families with members dealing with cancer is the focus of the Joe Andruzzi Foundation. It is a really fun event that we have been involved with for three years now and it just keeps getting bigger and better every year we go!

Then we had the Special Olympics summer games dance and boy what a busy spring. Please, I hope you will join us at the annual membership meeting and pool party! And don't forget those Big Summahhh raffles, A CHANCE TO WIN \$500 or \$300 or \$200 bucks! Take a chance you never know! Full sheet of tix for ten bucks can't beat that!

Thanks for all you do for without our membership we would not be here.

Thank you thank you

We'd like your help:

As you may know by now, we will be hosting the NEPHC in 2020. Sadly, this may be the last convention.. With that in mind, we hope you all hear the call to help us make this the one to remember for a life time. Memories are our greatest treasure!

We will be having many planning meetings, fundraisers and volunteering opportunities in the future, so if you find one that fits within your busy schedule, please help out by attending a fundraiser, purchasing raffle tickets or getting donations. Every little bit helps.

Your membership helps this club to pay the bills. We have several costs to keep the club going. So please send in your dues. Thank You! We really depend on dues to help us run the club. To plan what we can do and give back to our different charities and membership. Our dues are amongst the lowest and have been through the years, even with this year's slight increase to \$25 for a single and \$30 for a couple/ family membership... payable by January 31st of every year.

We have a pay pal option on PHCOEM.com with a \$1 service charge for your convenience.. Snail mail is still an option should you prefer to send a check... We ask that you memo as "Dues '19" and mail to: PHCOEM P.O. Box 42 Northbridge, Ma. 01534-0042

Quotable Quotes

Nice Duplex.

Like the other night when we were doing it in the dark.

It's 104' I think we should have enough.

I'm a married man I can't seem to unscrew.

It's only an inch you want half?

I'm not moist anymore.

I like hot balls doesn't everyone?

I'm tight I need it.

I just got pokie balls and I'm hooked.

I like it firm.

Damn it won't stay in.

Pinch and push.

I can't get it in the hole.

Bite the end.

Don't use my name but I need to pee.

GUESS THAT PARROT HEAD

So our last quarter **Guess That Parrot Head Who is that Skeleton?** If you guessed Mac, you are correct.

There is no prize or anything, just a fun little thing that everyone can play along with. We will announce in the next quarter's newsletter who the photo was. So if anyone has a photo that doesn't completely define who the parrot head is that they have taken at any event, please forward to newsletter@phcoem.com please include who it is so that the following quarter we can include that information.

The Adventures of Finzer, Flyer, Timon and Phriends

By Mac

This latest adventure finds our phriends all over the state volunteering at every place they could. They even attended events held in breweries for humane societies and shelters. They started in Brockton at the Special Olympics working with our awesome Parrothead volunteers to make and serve lunch to these wonderfully brave athletes. They enjoy the social events after especially when they involve other animal charities. Cape Cod beer was holding an event that helped the Cape Cod animal shelters. We all had a lot of fun meeting all the fur babies and drinking some really delicious beers. We ventured to Maine to Island Dog brewery for bark and brew. We donated a bunch of towels (thank you Vicki) to the Maine area shelters and had a few beverages which the proceeds went to help their cause.

Ohhhh and of course how could we forget the start of the spring festivities. The PHCoEM Scavenger Hunt to raise money for our 2020 Convention! That thanks to everyone involved, was a huge success and a lot of fun was had by all! Can you find the critters? They are there, look closely it is like finding Waldo! Tiki Bob and the Islanders did awesome, phound all the clues thanks to the boys help and returned safely all the while laughing and smiling and singing along the way!

We also had the Charles River watershed canoe race. Which we covered the team transfer point and we make sure it is safe and smooth.

The boys enjoy their Special Olympics cooking events! They get to go for rides with Auntie Lizzy L12 Uber in Brockton with mechanic man in his golf cart.

We had the Bog Iron 0.0k brew race which we again got the attention of Joe Andruzzi and a few of his friends. It is a really tough race I suggest if you are planning on going next year you start training early, like now, if you have trouble finding a brewery let me know . Lol

With all the pun that went on at Francis Farms we know our team will be back next year Phlock Yeahhh we will! So again thank you for all you do to make this club what it is! The boys will be at the Membership Pool Party so swing on by and say hello they are celebrities now!

FOOD GLORIOUS FOOD

Spicy Coconut Grilled Chicken Thighs

INGREDIENTS

- 1 3" piece fresh ginger
- 5 garlic cloves
- $\frac{3}{4}$ cup coconut milk
- $\frac{1}{4}$ cup hot chili paste (such as sambal oelek)
- $\frac{1}{4}$ cup fresh lime juice
- 2 Tbsp. light brown sugar
- 1 Tbsp. Diamond Crystal or $1\frac{1}{4}$ tsp. Morton kosher salt
- 2 Tbsp. vegetable oil, plus more for grill
- 2 lb. skinless, boneless chicken thighs
- $\frac{1}{2}$ cup cilantro leaves with tender stems
- Lime wedges (for serving)

RECIPE PREPARATION

- Prepare a grill for medium heat. Finely grate ginger and garlic into a medium bowl. Add coconut milk, chili paste, lime juice, brown sugar, salt, and 2 Tbsp. oil and whisk to combine. Add chicken and toss to coat. Let sit at least 15 minutes or up to 4 hours.
- Remove chicken from marinade, letting excess drip back into bowl, and transfer to a rimmed baking sheet. Pour marinade into a small saucepan. Bring to a boil, then reduce heat to medium-low and simmer, stirring occasionally, until slightly reduced and thick enough to coat the back of a spoon, 2–3 minutes.
- Clean and generously oil grate of grill (if there are a few flare-ups while you do so, not to worry, they will burn off). Grill chicken, turning once and basting occasionally with marinade, until you see some good grill marks and chicken is cooked through, 8–10 minutes.
- Transfer chicken to a platter. Brush with remaining marinade. Top with cilantro and serve with lime wedges alongside.
